PHASE 2

PHASE 1

The Community

FUSE provides an opportunity to enjoy a vibrant, diverse and eclectic lifestyle in one of Toronto’s newest neighbourhoods, Davenport Village. This master planned community sits at the heart of many unique and established districts.

The Junction

The Junction is where old meets new, always celebrating its historical significance and yet on the cutting edge when it comes to food, salvaged furniture, alternative health practitioners, night life, the arts, and still keeping the small town feel.

Corso Italia

Recognized as the first home for the largest wave of Italian immigration in Canada’s history, Toronto’s Corso Italia continues today as the focal point for celebrating Italian Culture with the annual Fiesta street party celebrations and as home for the largest gathering of soccer fans during World and European Cup football matches.

Bloordale

Bloordale Village (commonly known as Bloordale) has undergone significant change in recent years, and is now considered one of Toronto’s ‘up and coming’ art districts. The area is the location of Mercer Union Centre for Contemporary Art, Toronto Free Gallery and Funktion Gallery to name but a few.

Bloorcourt

Located along Bloor Street West, from Montrose Avenue to Dufferin, Bloorcourt Village is well known for its great variety of shops and services catering to all tastes and ages. Shoppers are pleasantly surprised at the reasonable prices and great finds.
