## APPLIANCES – THE MIELE PROMISE OF FOREVER BETTER

Miele was founded, in Germany, over 115 years ago by Carl Miele and Reinhard Zinkann, and it has always been a family-owned, family-run company. Miele continues to be a German-made company with ninety percent of its product's value generation created in Germany. Stemming from the words of its founding fathers, "Success is only possible in the long term if one is totally and utterly convinced of the quality of one's products," continuous innovation is at the heart of the Miele ethos. The sentiment is also captured in Miele family's deep-felt vision of Immer Besser, or, Forever Better, which commits the family-run business to the positions of industry leadership and innovation. Miele's elegant design integrates seamlessly with the Saisons kitchen systems and offers residents the ultimate kitchen technology that lets the home chef showcase their skills or catering staff prepare a meal to remember.
